The bill for the construction of town's part of the electric line from H. G. Titus place to the Center, has not been presented to us, so that is unpaid.

We were instructed to borrow from the Trust funds to pay for the Whitcherville bridge, but as the Trust funds were frozen under the bank holiday, we have been unable to make the transfer.

I have examined the accounts of the Town Clerk, Town Treasurer, Selectmen, Trustees of the Trust Funds and Library Trustees, and according to my best knowledge and belief, they are correct.

SUPERINTENDENT'S REPORT

TO THE SCHOOL BOARD AND CITIZENS OF LANDAFF:

The total enrollment for last year was 68, the average attendance 64.5, and the percent of attendance was 93.95. Both the attendance and tardiness records were not quite as good as in the previous year. This was probably due to the closing of the Ireland school, which compelled those pupils to walk farther to school. There were fourteen pupils attending Lisbon high school. This year your schools have a total registration of 68, and there are 11 pupils attending Lisbon high school.

The Scotland school was closed this year and Miss Jesseman was transferred to the Center school to replace Miss Callahan, who had resigned to take another position in Franconia. Miss Mae Belle Olney was hired for the Ireland school which was reopened, and Miss Barrett remained for another year at the Blue school. These teachers are all doing good work.

If you continue to operate the present schools and transport the pupils of the Scotland district it will be necessary to appropriate \$3,500 to balance your budget for the coming year.

This year we have had the use of a school nurse for about two weeks. This was made possible by Miss Elizabeth Murphy, state supervisor of health, with the aid of CWA funds. A dental clinic was held at the town hall and most of the many dental defects were remedied. Very low rates were charged for the work, and those unable to pay were given free treatment.

The state allows to state-aided towns \$1.50 for each pupil which may be expended for medical inspection and health activities. This would make possible the use of a traveling school nurse for several weeks in this town each year. With this plan in mind the school board has increased this item of your budget for next year.

I certainly appreciate your cooperation in all matters pertaining to the welfare of your schools.

Respectfully submitted,

F. LESTER TRAFTON.
